- For recessed TORX® screws
- Extra tough for long durability
- 1/4" hexagon drive
- For use with Wera impact screwdriver 921

Extra tough bit for TORX® socket screws. This prevents the bit from breaking prematurely and extends its service life. Suitable for use with Wera impact screwdriver 921. With 1/4" hexagonal drive.

For use with 921 impact  
screwdriver

The 921 impact screwdriver combines the advantages of manual impact wrenches, compact tools and screwdrivers with pound-thru blade.

The Wera impact screwdriver bits are particularly suitable for use with the Wera 921 impact screwdriver.

Long life span

The extra tough bits stand out with their particularly long service life. Premature breakage is prevented.
