Beyond LED Technology's ALTUS LED Wall Sconce is a feature-rich lighting solution designed to bring functional elegance and brightness to any space. Available in two models, the first model offers adjustable wattage and adjustable CCT in 8-inch and 14-inch sizes, allowing you to customize the light output to meet various lighting needs. The second model features a fixed wattage of 22W and adjustable CCT, available in 14-inch size, with the added convenience of an on/off photocell switch for automatic operation.

Crafted with a sturdy aluminum frame, the ALTUS is built to endure the elements, offering weather resistance and durability for both indoor and outdoor applications. Its sleek black housing adds a touch of classical elegance, making it the perfect fit for modern commercial spaces, hotel lobbies, restaurants, and luxury hospitality settings.

Product Features

- Up to 120 lm/W
- Adjustable Wattage
- Adjustable CCT
- 270° beam angle
- Black housing
- Input Voltage 120-277VAC
- ETL Listed
- 5-year warranty

Installation

WARNING

PLEASE READ ALL INSTRUCTIONS BEFORE ATTEMPTING INSTALLATION

- To prevent personal injury or product damage only licensed electricians should install.
- To avoid electric shock or component damage disconnect power before attempting installation or servicing. Disconnect product and allow cooling prior to servicing.
- Any alteration or modification and/or electrical shock this product is forbidden, as it may cause personal injury, death, property damage and/or product malfunction.
- This luminaire is designed to operate in ambient temperatures ranging from -40oC to 50oC (-40oF to 122oF)
- MIN 75 °C SUPPLY CONDUCTORS.
- CONSULT A QUALIFIED ELECTRICIAN TO ENSURE CORRECT BRANCH CIRCUIT CONDUCTOR.

Mounting Bracket

Installation Method A

Step 1: Remove the 3 screws on the PC frame, one on the top and the other two at the bottom, then take out the PC frame.

Step 2: Remove the screws on both sides of the light and take out the installation bracket.

Step 3: Screw the bracket onto the wall.

ALTUS™

Wall Sconce

Installation

Step 4: Connect the light cable to the power input cable.

Step 5: Screw and fasten the light on the bracket with screws on both sides of the lights.

Step 6: Screw and fasten the PC frame back to the light with one screw on the top and two screws at the bottom.

Installation Method B

Step 1: Remove the 3 screws on the PC frame, one on the top and the other two at the bottom, then take out the PC frame.

Step 2: Connect the light cable to the power input cable.

Attention: The screw hole on top of the light is mounted facing to front part of the light.

Step 3: Screw and fasten the light to the wall with 4 KA5X12 screws on the 4 corners of the light.

Step 4: Screw and fasten the PC frame back to the light with one screw on the top and two screws at the bottom.
