

EMERGENCY EYEWASH WALL STATION

2 Bottle 32oz

INCLUDES
2
32 OZ
EYEWASH
BOTTLES

THE NEUTRAFLUSH EMERGENCY EYEWASH WALL STATION is the ideal solution for common workplace eye safety needs. With over 2,000 eye injuries occurring daily in U.S. workplaces, this station is an essential addition to any facility.

- The Neutraflush Wall Station features a modernized design with dual 32 oz bottles, delivering improved usability, extended coverage, and versatility across workplace environments.
- AEROWASH eyewash is a sterile, buffered solution formulated to deliver fast, effective irrigation in acid and alkali exposure incidents.

Meets or exceeds ANSI Z308.1-2015 and OSHA 1910.151(b) regulations.
