There's more on the back

Thank You

WE APPRECIATE YOU!

1. Thank You for Choosing Us

Thank you for choosing us—it truly means a lot.
We hope this product brings convenience
and a little extra joy to your day.

We've included a postcard featuring a city from China for you. Feel free to place it anywhere you like—your workspace, toolbox, fridge, or wherever it makes you smile.

2. Quality You Can Count On

We take quality seriously.
Each product has been carefully inspected
throughout the process to ensure it
meets our high standards.

3. We're Here to Help

If anything isn't quite right, please don't worry—
we're here to help.
You can easily reach our support team through
your Amazon order page.
We'll always do our best to make things right for you.

Your satisfaction is our top priority.

4. Your Experience Matters

We're constantly working to improve and provide
better products and service.
Thank you for being part of our journey.

We believe good things come to kind people.
If you're reading this, we hope something great finds you today.
Wishing you happiness, success, and a fantastic year ahead!

Reliable Quality
Built with care.
Inspected with pride.
Made to last.

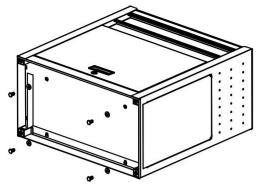

Dedicated Support
Real people.
Real solutions.
We're here for you.

Customer First
Your satisfaction
drives everything
we do.

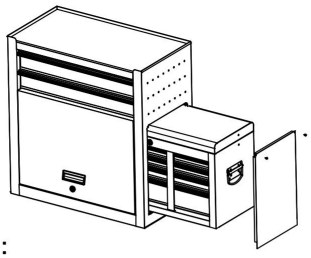

Better Every Day
Your trust inspires us
to keep improving.
Thank you!

You're more than a customer—you're part of our community.

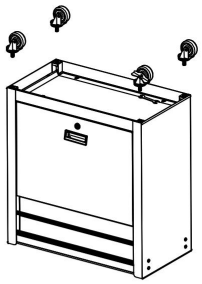

Assembly Step

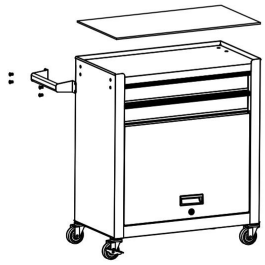

STEP 1:
Open the package, put down the tool cabinet, remove the 4 pieces M8 screw from the bottom of the cabinet

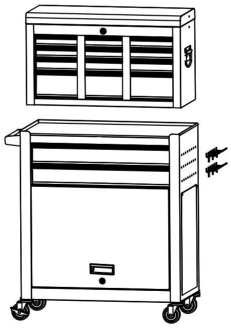

STEP 2:
Stand the tool cabinet up, then remove the M4 screw of the side door(please keep these 2 screws), take out the top chest from the tool cabinet, then assemble the side door as before.

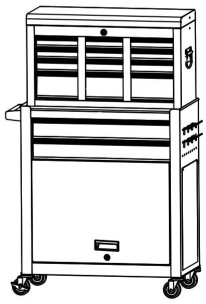

STEP 3:
Turn the tool cabinet upside down, as the picture, using wrench to assemble the casters, the brake caster need to keep one side with handle

STEP 4:
Using M6*16 screw to assemble the handle, keep handle and brake caster in one side

STEP 5:
Assemble the hook, then put the top chest on the tool cabinet

STEP: Assembly complete

Thank You
