

About this item

- **【Enhanced Safety with Handrails】** OOSOFITT 5-Step Ladder is equipped with extra handrails, ensuring added safety and balance when working at heights. The handrails offer extra support for elderly users and children, providing peace of mind whether you're cleaning, doing DIY projects, or tackling repairs.
- **【Superior Stability and Security】** Designed for maximum safety, this ladder for home supports up to 330lbs, ensuring reliable performance for heavy tasks. Wide, non-slip pedals provide a firm footing, while the firm triangular frame and non-slip rubber caps enhance stability, minimizing the risk of slips or tipping.
- **【Convenient Removable Tool Bag】** Featuring a removable tool bag, this step ladder provides organized storage for your tools, keeping them within easy reach while you work. Unlike fixed trays, the tool bag is detachable and portable, making it simple to take your tools wherever you go without worrying about them mixing up.
- **【Easy to Fold and Store】** The OOSOFITT 5-Step Ladder features a foldable design, making it incredibly easy to store. When folded, it's only 4.3 inches thick and weighs just 19.8 lbs, making it easy to carry and fit into tight spaces like closets, garages, or storage rooms, perfect for daily use and convenience.
- **【Tool-Free Assembly】** Setting up the ladder is simple and fast with tool-free assembly. Just screw in a few bolts, and your ladder is ready to use. Enjoy a hassle-free setup that requires no extra tools or professional help, making your ladder ready for action in minutes.
- **【Warranty】** Enjoy peace of mind with the OOSOFITT closet ladder, which comes with a 1-year warranty and lifelong after-sales service. If you encounter any issues with this 5 step ladder, reach out to us for prompt and effective solutions. Satisfaction guaranteed.
