

JAZZLE

DESCRIPTION

A powerful chlorine bleach which effectively destains most protein soils. Most effective when used at high temperatures (140°-160°F) with a pH of 10.5-10.8. NOTE: Not for use on natural silk, wool, and nylon. Ideal for homestyle laundry use.

BENEFITS

- EFFECTIVE: Removes many of the most difficult to remove stains. Provides powerful rapid stain removal.
- IMPROVES BRIGHTNESS: Renews fabric brightness and whiteness lost after repeated launderings due to graying or yellowing.
- FRESHENS: Eliminates odors from fabrics
- CONCENTRATED: Contains 5.25% available chlorine for economical use.
- LIQUID CONCENTRATE: Mixes readily and goes to work immediately. Will not clog automatic injectors.

APPLICATIONS

Recommended to hotels, motels, hospitals, nursing homes, commercial laundries, restaurants, and other on-premise laundries.
