

PRODUCT SPECIFICATION REPORT

Zep 75 is a low odor, heavy duty solvent that is formulated for a variety of industrial applications.

Zep 75

PROD.#3575

Low Odor Industrial Degreaser Aerosol

FEATURES/BENEFITS:

Highly Effective	Zep 75 quickly and completely cuts through grease, oil, tar, adhesive, mastic and more
Water Rinsable	This product is formulated with emulsifiers, so the product and any soils are easily rinsed away with water
Convenient	Zep 75 is packaged as an aerosol, which makes it simple and easy to use
VOC Compliant	The formulation is non-ozone depleting and VOC compliant in all 50 states
Biodegradable	All detergents, emulsifiers, and solvents used in this product are readily biodegradable
Pleasant Fragrance	Zep 75 contains a light citrus, non-lingering odor

APPLICATIONS:

Zep 75 may be used to spot-treat greasy concrete floors and equipment, and to remove graffiti, protective coatings, tape, adhesive, decal residues and more. This product is particularly useful in the transportation industry, service garages, sewage treatment plants, equipment maintenance and more.
