Steel Cabinets USA.

BOOKCASES

The 13" Depth and 18" Depth Series are equipped with Plastic Glides that serve to elevate the bottom of the cabinet from contacting the floor – also make it easier to move.

All shelves adjust on 2" centers and have five (5) contact points for support.

An extra shelf is included to "fill out" the bottom lower compartment.

Body is electrically welded at the factory for extra support.

Shipped setup, ready for shelves to be installed.
Packaged in air cushioned cartons.

The Series of Mobile Bookcases (MBCA) are equipped with four (4) heavy duty 3" casters, two (2) with brakes, and are produced with a strong reinforced bottom. Casters are installed at the factory.

Powder Coat Paint

"WAL" Walnut	"SB" Signal Blue	"C" Charcoal	"G" Dove Gray
