

"STORAGE MASTERS-5"

A Series of Quality Steel Storage Cabinets designed to include the important features of 5 All Adjustable Shelves and Two (2) Die Cast Locking Handles for Security and Convenience being offered at Special Discounted Prices.

FIVE (5) SHELVES = 25% More Storage

The RB Bar is unique and is welded in place to reinforce the sides and also is the contact point for the locking handles. There are NO troublesome locking rods on the doors.

All the parts, especially the shelves, are fabricated with multiple bending for extra strength, rigidity and safety. Shelves will support 160 pounds evenly divided.

Adjustable shelf support strips are welded on the sides. Holes are not punched in the sides. Shelves are adjustable on 2" centers, and are supported at four (4) contact points.

Produced with dependable and long lasting materials, assembled by experienced American Cabinet Makers.

Another special feature – Plastic Glides are attached at the Factory to elevate the Cabinet from contacting the floor and also easier to move.

There is never enough storage space, and Storage Masters will provide clean, secure storage in a business, school or residence.
