**PRODUCT DESCRIPTION**

Vetra brings refined clarity to outdoor illumination with a simple cylindrical form and beautifully layered glass. A clear ribbed glass shade surrounds an omnidirectional LED light tube encased in Matte White acrylic, creating an even glow with subtle texture and depth. Finished in Matte Black, the streamlined frame adds crisp architectural contrast while allowing the illuminated column to remain the focus. Wet rated and offered in three sizes, Vetra delivers elegant, modern lighting for entries, patios, corridors, and exterior walls.
