

INDUSTRIAL COUNTING SCALE

MODEL DWP-98

sealersales

Counting Made Easy

- Separate displays to show unit weight, total weight and count
- Stainless steel platform
- Large LCD display screen
- Numerous functions to easily keep track
- Equipped with rechargeable batteries

Video Demo →

The **DWP-98** counting scale is a reliable and precise counting scale designed for heavy-duty industrial applications. Its key advantages include:

- **Triple Display System:** Separate screens for unit weight, total weight, and material count ensure effortless monitoring
- **Large LCD Display:** Crisp, clear numbers reduce the risk of errors, providing accuracy even in challenging environments
- **Advanced Counting Features:** Multiple adding and counting functions simplify tracking and help eliminate costly mistakes
- **Rechargeable Battery Power:** Offers flexibility and long-lasting operation for busy workflows

This versatile scale empowers operators to work with confidence, delivering consistent results across a wide range of industrial tasks. Say goodbye to costly errors—choose the DWP-98 to streamline operations and enhance productivity.
