LIMITED WARRANTY: Philips warrants that this bulb will be free from defects in material and workmanship and will operate for 3 years based on up to 3 hours average usage per day/7 days per week, when used as directed. If this bulb does not conform to the warranty, Philips will send you, at its election, a replacement bulb or refund your original purchase price upon receipt of the returned bulb, register receipt and proof of purchase. For any questions, concerns, or to learn how to return the bulb, please call our toll-free number, write to Philips, or send an email at the website below. This limited warranty does not cover bulbs subject to accident, neglect, abuse, misuse or acts of God. REPLACEMENT OR REFUND IS YOUR SOLE REMEDY. EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTIES ARE LIMITED IN DURATION TO THE DURATION OF THIS WARRANTY. LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES IS HEREBY EXPRESSLY EXCLUDED. Some states do not allow exclusion of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

WARNINGS AND CAUTIONS: Not suitable for use with dimmers. This device is not intended for use with emergency exit fixtures or emergency lights. Risk of electric shock - Do not use where directly exposed to water. Before replacing, turn off power and let lamp cool to avoid electrical shock or burn. Only install in operating environments between -4°F and +113°F (-20°C and +45°C).

NOTES: This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. This Class B digital apparatus complies with Canadian ICES-003.

*This 14 watt, 1500 lumen, LED A19 bulb provides similar brightness when compared to a 100 watt, 1490 lumen, A19 incandescent bulb.

**10 year rated average life based on engineering testing and probability analysis where the lamp is used on average 3 hours/day, 7 days a week.
