

Porcelain Whiteboards

Create, Collaborate, and Communicate with Luxor's Porcelain Whiteboards

Introducing Luxor's new series of porcelain whiteboards, an affordable and durable solution for heavy-use environments. Crafted with a high-quality porcelain surface, these whiteboards are resistant to stains, dents, and scratches, ensuring reliable use for up to 100 years. The magnetic surface adds versatility for easy attachment of notes or documents. Their ghosting-resistant design prevents ink absorption, maintaining a pristine appearance even with frequent use. Luxor provides a collaborative tool built to endure heavy usage, eliminating frequent replacements and offering long-term value at an affordable price. Available in mobile and wall-mounted options, these whiteboards come in multiple sizes to fit any workspace. All models include a marker tray, while mobile models feature casters for effortless movement. In addition, the mobile models offer an easy-flip design for instant access to the double-sided writing surface.

Benefits:

Long-Lasting Durability:

Tough ceramic surface resists stains, dents, and scratches.

Effortless Writing:

Smooth ceramic surface allows easy writing and quick erasing.

Ghosting-Resistant:

Porcelain surface prevents ink absorption, keeping the board clean.
