Made in America

With American Steel

FS-18
18"x18"x72"

Designed with a Single Lockable Door and with dimensions that will provide ample multi-purpose storage in areas with limited space.

The "Slim Jim" Cabinet has a sleek, handsome profile that will be appropriate in an Office, School or Residence.

Assembled at the Factory with electric welding for strength and rigidity by experienced Tennessee Steel Cabinet makers.

Shelves are welded in place at different intervals for efficient storage and shipped set up ready for storage.

The Fixed Shelf Series from Steel Cabinets USA is the best engineered and most economical design to produce the strongest steel Cabinet at the lowest price for your customers.

"Slim Jim" Cabinets are supplied with Plastic Glides to elevate the bottom from making contact with the floor and also easier to move for cleaning, etc.

There is never enough storage space, and "Slim Jim" Cabinets will always be in style.

Impressive Die Cast **LOCKING Handle** for **Convenience** and **SECURITY**.
