

Monoprice™

USB-C to USB-C Silicone Charging Cable – USB Gen 2, 240W PD, Ultra Flexible

Tangle-Free Power with a Soft-Touch, Long-Life Design

Charge with confidence using the Monoprice USB-C to USB-C Silicone Charging Cable, designed for high-performance power delivery and exceptional durability. Built to support USB Power Delivery up to 240W, this cable provides ultra-fast charging for laptops, tablets, smartphones, and other USB-C devices. The USB Gen 2 data support enables essential syncing and connectivity for everyday devices, while the premium silicone jacket offers unmatched flexibility and a soft-touch feel that resists tangling, even in tight setups. With a rugged build rated for 25,000 bends, this cable is made to withstand daily use at home, the office, or on the go. Whether you're powering up a MacBook, gaming laptop, or USB-C power bank, this silicone charging cable delivers reliable performance with a sleek, modern design that complements your tech.

- Supports USB Power Delivery up to 240W for ultra-fast charging of laptops, tablets, and smartphones
- Flexible silicone jacket resists tangling and provides a soft-touch, durable finish for everyday use
- Rated for 25,000 bends to withstand repeated plugging, unplugging, and movement without failure
- USB Gen 2 data transfer support for reliable syncing and connectivity with USB-C devices
- Designed for broad compatibility with MacBook, Chromebook, Steam Deck, Android phones, and more
- Ideal for travel, workstations, and high-powered charging hubs with limited space
- Precision-molded USB-C connectors ensure secure connections and stable charging
- Available in multiple lengths and colors to suit your charging setup

240W USB-C FAST CHARGING

Power up laptops, tablets, and smartphones at top speed with full USB Power Delivery 3.1 support.

ULTRA-FLEXIBLE SILICONE JACKET

Soft-touch silicone resists tangling and adds durability while staying smooth and easy to handle.

BUILT TO LAST

Rugged construction rated for 25,000 bends ensures long-term reliability in demanding environments.
