

CONCROBIUM® MOISTURE GRABBERS®

DESCRIPTION AND USES

Concrobium® Moisture Grabbers™ pouches get rid of musty odors and protect your possessions against moisture damage. Great for indoor areas prone to high humidity including bathrooms, closets, and utility rooms. The pouch can be placed in small, enclosed spaces such as cabinets, storage containers and safes. And because Moisture Grabbers trap moisture in a stay-dry pouch, they can safely be used in cars, trucks, and boats.

PRODUCT FEATURES

- High performance moisture-capture technology
- Traps humidity in stay-dry pouch
- No buckets, no cleanup, no mess
- Protects against musty odors and moisture damage
- Indoor use

PRODUCTS

SKU	DESCRIPTION
7453276	3 Pack Regular (3-9.2 oz Pouches)
7651353	1 Pack XL (2.2 lbs.)

PRODUCT APPLICATION

READ ALL INSTRUCTIONS CAREFULLY BEFORE STARTING PROJECT

Safe to use on any horizontal surface. Expose pouch to air flow so it can absorb humidity in the area.

- In completely sealed spaces (e.g., plastic containers or storage bins).
- For areas with ongoing humidity and dampness (e.g., closets, bathrooms, cars) pouches should be replaced more frequently.
- Frequency of replacement will vary depending on factors such as humidity levels, temperature, and size of area.

PRODUCT APPLICATION (cont.)

APPLICATION

3-STEP INSTRUCTIONS

1. Remove pouch from plastic bag.
2. Gently shake pouch to mix contents.
3. Place on flat surface in desired location.

WHEN TO REPLACE: "THE THUMB TEST"

As the pouch absorbs humidity and moisture from the air, the crystals inside become gel. Replace the Moisture Grabbers pouch when all crystals have been converted to gel. A simple "thumb test" will help you to determine if it's time. Press down on the pouch to feel for any remaining crystals. If the entire pouch feels like gel, the Moisture Grabber should be discarded and replaced.

A single pouch can absorb up to 3 times its own weight in moisture.

DISPOSAL

To dispose of empty containers and unused product, contact your local environmental regulatory agency.

Discard used pouch with normal household waste. In case of spills caused by puncture, clean up and discard with normal household waste.
