Medina™ Laminate Series Casegoods

Product Update – April 2015

We are excited to announce an expansion to our **Medina™** laminate series of casegoods - one of the hottest contemporary series on the market since launched last year.

Medina uses a smartly edited array of components allowing for a tremendous range of workplace configurations for a modern look at a modest price. From traditional U-shaped to trendier open concepts, there are plenty of options for interaction.

What is New? Medina Straight Desks, Reception and larger Conference tables!

- Straight Desks **MNDS63** and **MNDS72**
- Non-Handed Return **MNRT** and Bridge **MNBDG**
- Glass Display Cabinet **MGDC** and Storage Cabinet **MSC**
- 12' **MNC12** and 14' **MNC14** Conference Tables
- Reception Station **MNRS**
- Two new laminate finishes will be available around July 15th: **Textured Sea Salt** and **Textured Brown Sugar**

Medina Offers Great Features:

- Clean straight lines or curved shapes with floating work surfaces and beveled edges that reflect Italian design influences.
- Modern look for a modest price (*costs less than Aberdeen*).
- Style and value that rests on Mayline's laminate expertise.
- There will be 5 standard finishes ensuring harmony with other Mayline furniture and to complement most any décor.
- Medina is available on our Fast Freight and Quick Ship program.

Additional Resources:

- Showroom display orders are available at 50/50/50.
