BSI-102
Glass Cleaner

Formulated with Isopropyl alcohol, BSI-102 Glass Cleaner is a non-streaking and highly evaporative glass cleaner. The BSI-102 is ideal for cleaning windows and other glass surfaces. This product is safe on soft metals, and does not contain ammonia, eliminating unpleasant odors. It is suitable for removing fingerprints and smeary residue on glass surfaces in your entire facility. The BSI-102 requires dilution prior to use.

Recommended for use: on various surfaces, including: Glass Windows, Glass Doors, Appliances, Stainless Steel, Countertops, Mirrors and Auto Glass

DIRECTIONS FOR USE: Dilute 1 part of this product with up to 3 parts of water (or up to 32 oz. per gallon of water). Spray onto surface and dry with a paper towel or lint-free cloth.

REORDER: BSI1021, BSI1022, BSI1023
