BSI-45

Degreasing Cleaner and Additive

BSI-45 is a powerful medium foaming cleaner and degreaser and can be used alone for cleaning and degreasing of concrete, tile, steel and other heavy duty industrial floors or as an additive to other cleaners for a boost in cleaning and degreasing performance. BSI-45 may be applied by brush or through foaming units on equipment, walls and floors in all departments of meat, poultry and general food processing plants.

DIRECTIONS FOR USE: BSI-45 can be used alone for cleaning and degreasing of concrete, tile, steel and other heavy duty industrial floors or as an additive to other cleaners for a boost in cleaning and degreasing performance. Dilute 1 to 16 ounces of product per gallon of water for use as a floor, wall or equipment cleaner. Please contact your Best Sanitizers Representative for information on how to use BSI-45 as a degreasing additive.
