

Shown here on Tripod B Series

Elite's **MaxWhite® B** material is a matte white material formulated to meet our conventional screens that delivers optimal picture quality. Its neutral 1.0 gain allows for the widest possible viewing angles of 180° (90° Left and Right). The matte surface of the **MaxWhite® B** offers superb diffusion uniformity while delivering radiant image and color reproduction. The screen surface has black-backing to avoid light penetration and can be cleaned safely with mild soap and water.

Elite Screen series:
 Manual B, Tripod B, DIY Wall 2 and DIY Wall 3
