Multi-Flex Vehicle Mount for Laptops

Compatible with laptops
10.1"-14.8" in width

Take your PC workstation on the road with CTA Digital's Multi-Flex Vehicle Mount for Laptops. This premium, drill-free laptop mount easily attaches to the seat rail beneath your driver or passenger seat, making it a perfect match for taxis, emergency vehicles, delivery trucks, and more. The sleek, heavy-duty arm employs two joint-locking hinges for angle adjustment and two telescoping segments for easy height calibration. The mount's laptop platform resizes to accommodate most computers and is equipped with 6 immobilizing grips to prevent movement, plus 360-degree rotation and angle adjustment to make the screen visible from any seat.

Features:

- Easy, no-drill install on seat rail beneath driver or passenger seat
- Size-adjustable laptop holder
- 6 immobilizing laptop grips
- Two telescoping, height-adjustable arm segments
- Two joint-locking hinges for angle adjustment
- Rotating, angle-adjustable laptop holder
- Compatible with laptops 10.125 and 14.875 inches in width

Package Includes:

- (1) Laptop tray
- (1) Multi-flex arm
- (1) Set of seat rail bases
