

End stop kit KSM-6

Part number: 175833

FESTO

Data sheet

Feature	Value
Size	6
Adjustment range of swivel angle	0 deg ... 180 deg
Swivel angle	180 deg
Type code	KSM
Mounting position	Any
Precision adjustment	-5 deg
Structural design	Stop lever
Position sensing	None
Ambient temperature	0 °C ... 60 °C
Product weight	30 g
Covering material	PA-reinforced
Note on materials	Free of copper and PTFE
Stops material	High-alloy stainless steel
Housing material	Aluminum Anodized
