

# Adapter kit DHAA-G-G3-16-B13-35

Part number: 2360918

FESTO

## Data sheet

| Feature                          | Value                                                        |
|----------------------------------|--------------------------------------------------------------|
| Size                             | 35                                                           |
| Type code                        | DHAA                                                         |
| Mounting position                | Any                                                          |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress                                |
| Product weight                   | 85 g                                                         |
| Type of mounting                 | With through-hole and screw<br>With centering sleeve and pin |
| Note on materials                | RoHS-compliant                                               |
| Adapter plate material           | Wrought aluminum alloy                                       |
| Material of screws               | Steel                                                        |
| Material of centering elements   | Steel                                                        |
