

# T quick connector

## TCK-1/4-PK-6

Part number: 4488

FESTO

### Data sheet

| Feature                          | Value                                              |
|----------------------------------|----------------------------------------------------|
| Nominal width                    | 4.9 mm                                             |
| Type code                        | TCK                                                |
| Type of seal on screwed trunnion | Sealing ring                                       |
| Mounting position                | Any                                                |
| Pneumatic connection 1           | External thread G1/4                               |
| Pneumatic connection 2           | for barbed fitting, inside diameter 6 mm, with nut |
| Note on materials                | RoHS-compliant                                     |
| Housing material                 | Aluminum                                           |
