

# Adapter kit HAPG-92

Part number: 539887

## Data sheet

| Feature                          | Value                                                                              |
|----------------------------------|------------------------------------------------------------------------------------|
| Type code                        | HAPG                                                                               |
| Mounting position                | Any                                                                                |
| Corrosion resistance class (CRC) | 2 - Moderate corrosion stress                                                      |
| Product weight                   | 175 g                                                                              |
| Type of mounting                 | With internal thread and centering sleeve<br>Via through-hole and centering sleeve |
| Note on materials                | Free of copper and PTFE                                                            |
| Plate material                   | Wrought aluminum alloy                                                             |
