

Switch lug DASI-E21-70-S8-SL

Part number: 8081063

FESTO

Data sheet

Feature	Value
Size	70
Type code	DASI
Design	for M8 sensor
Structural design	Switch lug
Corrosion resistance class (CRC)	2 - Moderate corrosion stress
Ambient temperature	-10 °C ... 60 °C
Product weight	36 g
Type of mounting	With slot nuts
Note on materials	RoHS-compliant
Retaining bracket material	Steel, galvanized
Material of screws	Steel, galvanized
