Superior Grade Split Cowhide Leather Welder's Glove with Cotton/Foam Lining and DuPont™ Kevlar® Stitching

- Side Split Cowhide leather construction provides comfort, durability, excellent abrasion resistance, and breathability
- Side Split leather is durable and provides excellent protection due to its dense fibers
- Fully welted to protect seams from abrasions
- Stitched with Kevlar® adding strength and burn resistance
- Cotton/foam lining gives welders additional heat protection but still absorbs moisture
- One-piece back for extended glove life
- Wing thumb increases comfort in open-handed work
- Double reinforced palm and thumb strap increases durability and provides added protection at common wear points
