

Retractable Defender® Visor for MSA Cairns® Fire Helmets

Retractable MSA Cairns Defender Visor

North America's first (and still the best) NFPA 1971 and ANSI/ISEA Z87.1 impact-rated, integral visor. The Defender Visor was designed with firefighters in mind. The entire lens stows when not in use (so it can't be lost), and can be deployed the instant it's needed – even with a gloved hand. Replacement of the lens does not require special tools or disassembly of the helmet. All of these benefits make the Defender Visor the best-selling firefighting eye protection in the market.

Retractable MSA Cairns Defender Visor Features

- Eye protection stays clean inside the helmet until you need to deploy it for overhaul and non-IDLH search-and-recovery.
- Order with your new helmet or as a user-upgrade kit.
- Fast, easy raising and lowering, even with gloved hands.
- Easy removal for cleaning and replacement – requires no tools.
- Defender visors are compliant with NFPA 1971 and meet the impact requirements ISEA/ANSI Z87.1.
- Optically correct lens eliminates peripheral distortion.
- Fits with many sized prescription lens frames.

NEED IT FAST?

When you can't afford to wait another day, MSA offers our most popular Cairns products in our Stock-Order-Ship (SOS) program. For these products, if your order is entered by 2:30 PM (EST), the product ships the same day from our warehouse in Pittsburgh, PA. Look for the SOS symbol  beside products in the program. Remember, too, you can always order customized Cairns Fire Helmets through ATO. ATO forms are on every fire helmet page on www.MSASafety.com.

Many helmets with Defender Visors have part numbers — no need to order through Assemble-to-Order (ATO)!

Below are the part numbers for some of our most popular Defender-related products:
