## Are you looking for expertly crafted miniature components?

B&B Manufacturing prides ourselves on offering superior mechanical components at low factory prices from our highly skilled machinists. B&B provides the expert product information you need, when you need it. For more information on miniature precision mechanical components, B&B Manufacturing engineers are only an email or phone call away from providing the support and product information you need to make informed decisions. Our engineering and application support, shortened lead times, lean enterprise, low factory prices, custom component capabilities, and industry applications sets B&B Manufacturing apart from other precision mechanical component manufacturers and distributors. B&B Manufacturing is constantly adding services, features, and improvement programs in order to help us better serve our mechanical parts customers.
