

Water Heater Stands

DESCRIPTION

Black Swan's Water Heater Stand is a sturdy, high quality, galvanized steel water heater stand. Legs are cross braced to help prevent tipping. Raises water heaters 18" above floor to meet plumbing code requirements. The 21" X 21" X 18" size has a 600 lb. load rate. The 24" X 24" X 18" size has a 1,000 lb. load rate.

Using the **Black Swan's Water Heater Stand** can help prolong the service life of a water heater. Storing a water heater on concrete floors can cause it to rust much more quickly. Storing water heaters raised off the ground can also help to prevent fire incidents and helps to protect against water damage.
