 LED 15W 100W REPLACEMENT

Dimmable

**A19**

FROSTED SOFT WHITE LIGHT  
 Standard Base (E26)

Brightness 1600 lumens  
 Estimated Energy Cost \$1.93 per year  
 ENERGY STAR

**Want to save energy without sacrificing the quality of your light?**

Bulbrite's LED A19 is 85% more efficient than traditional incandescent bulbs. This can mean cost savings for you over the life of the bulb of up to \$233.43. And you don't have to worry about your light, it's just as bright as a traditional 100W light bulb and emits the warm white light you're used to.

**Ideal for Everyday Applications:**

- Ceiling Fixtures
- Portable Fixtures & More!

**CAUTION:**  
 • This device is not intended for use with emergency exits.  
 • Flickering may occur when used with photo controls, occupancy sensors, or timing devices.  
 • This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
 (1) this device may not cause harmful interference, and  
 (2) this device must accept any interference received, including interference that may cause undesired operation.  
 • Minimum operating temperature is -20°C
