Product Information

Our 6 LED Emergency Flare Safety Kit is a must-have for any car or roadside emergency. The kit includes six bright Red LED flares that can be used to alert others to your location during a breakdown or accident. The flares can be set to flash or steady burn, and have a runtime of up to 36 hours. The kit also comes with a convenient charging case, so you can easily recharge the flares before your next outing. Whether you're a frequent road tripper or just want to be prepared for the unexpected, this emergency flare kit is a smart investment. Why do I need a Flare Kit in my vehicle? To alert others to their location during a breakdown or accident: If you break down on the side of the road or are involved in an accident, it's important to let other drivers know where you are. The bright amber LED flares in this kit can help to alert others to your location and prevent further accidents from occurring. To signal for help in emergency situations: In the event of a natural disaster or othe
