

Vinyl Wall Decor

Quickstyle Industries Inc. warrants to the original purchaser for a product purchased in its original state from a distributor, business partner or authorized dealer that this product will be free from structural defects in material, fabrication, laminating and assembly, machining, size and classification. This wall covering product comes with a limited residential pro rata warranty for the period indicated on the packaging. A pro rata warranty is one that provides for a resolution to an accepted claim that decreases according to a set formula: Original Warranty Period less Years from Purchase Date, divided by the Original Warranty Period. The warranty does not apply if the damages are caused by improper installation according to the installation instructions, improper surface preparation, improper storage, improper handling, normal wear, improper maintenance.

Furthermore, damages resulting from any indentation, scratch, stain or damage caused by the lack of proper maintenance, abuse, neglect, fire, a severe exposure to the sun, erosion and abrasion, pets, insects are not covered by this warranty. Exposure to sunlight may cause discoloration to your wall panels.

For any warranty issue, please refer to the original point of purchase with your sales receipt. Installation implies acceptance. No warranty will be offered for visual defects once installed. In the event a claim is accepted, we reserve the right to repair or replace the damaged area. We will assume material cost only (no incidental, labor or installation costs) and in the case where the exact purchased product is no longer available, we reserve the right to replace it with an equivalent value product available. For any claims under this Warranty, the above remedy is the sole and exclusive recourse offered to the customer.

Warranty

The following conditions are NOT covered by this warranty:

- Damage due to improper transportation, storage, installation, extreme indoor conditions (extreme heat, dryness) extreme sunlight or any other causes, are not covered.
- Failures due to structural changes or defects in the wall structure, (settling of the building or an uncovered wall structure are not covered.
- It is natural, due to the inherent properties of the vinyl that some minor contraction and expansion might occur. These occurrences and/or visual changes are considered normal and are not considered to be a defect.
- Any product deviation that is visible at a certain angle is not covered, only defects that are visible at a reasonable horizontal distance (normal standing height) will be considered.
- Exposure to sunlight can cause discoloration to your wall panels.
- Change in gloss level is not considered a defect.
- If Product is different from samples or printed material in shade color or structure.
- If product is installed over improper wall heaters or fireplace in excess of 29.4°C (85°F).
