

4 MIL GENERAL PURPOSE NITRILE GLOVES

**SINGLE USE HAND PROTECTION
SPECIFICATION SHEET**

PRODUCT FEATURES:

- Industrial Grade
- 4 Mil black nitrile
- Provides incredible tensile strength and elongation, with high durability and puncture resistance.
- Textured fingertips for improved grip when handling slippery objects
- Ambidextrous design with beaded cuff for easy donning and doffing
- Comfortable and durable for extended wear
- Safe for food handling

STANDARDS & COMPLIANCE:

- Meets FDA 21 CFR for food handling
- ISO 10993 5,10 against irritation and sensitization

APPLICATIONS & CARE:

These black 4 mil nitrile gloves are the working professionals' choice for safety gloves. 100% Latex-free and powder-free, our gloves are manufactured for protection and comfort. They meet and exceed cGMP standards for safety, quality, and strength. Featuring textured fingertip design, these nitrile gloves allow for improved dexterity and a more secure grip on slippery objects. Additionally, the smart, ambidextrous design with beaded cuffs means putting on and removing the gloves will be a quick and easy process. These gloves are food safe. Black nitrile gloves are ideal for use in a multitude of industries such as tattoo parlors, automotive, first responders, food handling, industrial, professional, cleaning, and cosmetology.
