APPLICATIONS & CARE:

Anti-Skid tape has never been so easy to use with the introduction of Defender Safety's SLIPGUARD™ tape. Incredibly strong, and versatile. The SLIPGUARD™ tape is made of premium materials and provides 60 grit of traction, which is perfect for preventing slips without sacrificing movement. It can function between -40 degrees F to 220 degrees F so you can feel safe in any temperature setting. The tape can easily be applied to many different surfaces such as concrete, metal, plastic, or wood. Simply cut to length, peel and apply. Care is easy too - simply clean with soap and water, a light disinfectant or detergent. SLIPGUARD™ tape comes in a variety of lengths and colors so you can select the tape that's right for you.
