All Risk® Triage Tag

Non-Wristband

by DMS

Enhanced Method • Triage • Treatment • Transport

Optimized for use as a secondary assessment and patient tracking tool, the All Risk® Triage Tag provides personnel the ability to document patient condition and care while awaiting transport. Enhanced transportation receipt, when used with the receipt holder, streamlines ambulance loading and ensures that patient number, acuity and destination are documented and available for quick reference. All Risk® Triage Tags are printed on waterproof / blood proof synthetic paper for durability and long-lasting record keeping.

Key Features:

- ▶ Waterproof / Blood Proof
- ▶ Bar Code for Tracking & Property ID
- ▶ Evidence Identification
- ▶ Presence of Contamination
- ▶ Primary & Secondary Decon
- ▶ Blast Injury Indicator
- ▶ Tourniquet Applied
- ▶ Airway Management (OPA/NPA)
- ▶ GCS Indicator
- ▶ Known Allergies Area
- ▶ START Triage Prompter
- ▶ Made in The USA

Contents:

- 50 Triage Tags Per Pack
