

# SideTrak<sup>®</sup> Swivel 15.6"

## Seamless Integration, Unmatched Productivity

Experience the ultimate productivity boost with the SideTrak<sup>®</sup> Swivel 15.6" by Luxor. This attachable monitor seamlessly integrates with your 15"-16" laptop, doubling your screen space to help you see more of what matters. No more tedious tab switching—now you can focus on tasks, read, write, watch, and work without interruption. With the ability to fold flat for easy portability, you can take your perfect workspace with you wherever you go. Whether you're collaborating with colleagues, managing multiple windows, or simply enjoying some downtime, the SideTrak<sup>®</sup> Swivel transforms any space into a productive environment, making it easier for you to work (or play) wherever you are.

### Expand Your Laptop

Designed to complement a 15"-16" laptop, the 15.6" attachable monitor integrates seamlessly with a laptop, doubling usable screen space.

### See More of What Matters

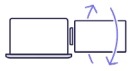

By adding usable screenspace to your laptop, you can minimize time-consuming toggling between windows for a more efficient, focused workflow.

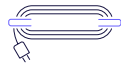

### Made to Move

Go beyond your desk with a flexibility-first design that folds flat against your laptop for effortless portability.

## Packed with User-Friendly Features

360-Degree Swivel Hinge

Built-In Cable Management

Auto Rotation

Pass-Through Power

On-Screen Menu Control

Sleek and Portable Design

## Connectivity

USB-C

If your laptop has a USB-C port with one of the following symbols, it is compatible with the SideTrak monitor.

## Compatibility

### Make Any Space Your Workspace

Adjust the monitor to your preferred viewing angle for reduced eye strain and improved posture, ensuring comfort during long work sessions away from your desk.

### Built for Collaboration

Easily share content and ideas with colleagues or clients using the versatile swivel feature.

### More Space to Work (Or Play)

By doubling your screen space, Swivel makes it easier to manage windows and tabs as you get things done.
