

TrapEze®

DISPOSABLE DUSTING SHEETS
PATENT PENDING

Single Roll

250 6 in. x 8 in. sheets per roll

PRODUCT SPECIFICATIONS

1.0 Description

TrapEze® is a single-ply, double-sided, disposable, adhesive coated dusting cloth that picks up dirt, sand, dust, hair and dander from hardwood and tile floors, baseboards, moldings, ceiling fans, bookshelves, cabinets, radiators and lamp shades.

2.0 Properties

Property	Value
Thickness	0.12 in. $\pm$ 0.04 in. 3 mm $\pm$ 1 mm
Weight	3.24 oz./y ² $\pm$ 10% 110 g/m ² $\pm$ 10%
Fiber Type	Polyester
Product Style	Single-ply nonwoven double-sided adhesive
Color	White

3.0 Construction

Single-ply, nonwoven polyester fibers are coated on both sides with a proprietary adhesive. TrapEze® Dusting Sheets employ a patent pending design, applying more adhesive to the outside, rather than the inside, of each sheet; removing more debris than standard dusting, but leaving no sticky residue. And since it's reversible, when one side gets dirty, simply flip it over and continue cleaning.

Americo Manufacturing Company, Inc.

4.0 Directions for Use

Place under your current holder or conveniently fit under any dust mop. Tear off perforated sheet to fit your cleaning tool. Place sheet under cleaning tool and you are ready to clean. Periodically check cloth during use and flip to clean side once loaded. Ideal for cleaning hard surface floors and high or hard to reach areas. Dispose of cleaning sheets after use.

5.0 Product care

Store in a clean dry area.

6.0 Size and Pack

8 in. (203.2 mm) x 125 ft. (38.1 m).
Perforated every 6 in. (152.4 mm).
250 sheets per roll.
Packed 1 roll per box.
