Cleaner & Restorer Spray Buff

Floor Science® Cleaner & Restorer Spray Buff keeps your floors looking their best at all times. Use the complete Floor Science system to create and maintain a consistently brilliant shine on floors with minimal time and effort.

Features & Benefits

- Cleans, shines and removes black heel marks, surface scratches, tar and ingrained dirt
- Leaves floor with a brilliant, durable shine when used regularly
- Helps maintain a continuous “wet look” without finish build-up or discoloration
- Combines solvents, emulsifiers, a hard wax and a special polymer to produce a smooth, deep gloss—even on worn floor finishes
- One gallon covers up to 30,000 sq. ft. (2,787 sq. m)
- Works with 175–1500 rpm floor machines (not for use with UHS floor machines)

Use instructions

- Remove gross soil such as heavy tar, paper, gum, etc., and then dust mop. Damp mop if soil load is heavy.
- Fill spray bottle with product and lightly spray a 4x6 ft. area. DO NOT OVER WET.
- Using a spray buff pad (red, or ask supervisor) make one pass with machine to spread product, then return and buff gloss (generally two passes).
- Flip or change pad as necessary.
- Dust mop if dust is present.

FLOOR PREPARATION:

- If floor shows uneven wear, heavy build-up, or deep groundin dirt, floor should be stripped and three base coats of finish applied before using Floor Science Cleaner & Restorer Spray Buff. To obtain the maximum level of gloss, a substantial floor finish base is required. Three coats of finish are recommended.
- Heavy traffic areas may occasionally require additional floor finish to maintain an adequate base. When recoating is necessary, simply clean floor and apply finish directly over Floor Science Cleaner & Restorer Spray Buff.

Technical data	Floor Science® Cleaner & Restorer Spray Buff
Color/Form	Clear Liquid
pH	7
Scent	Mild citrus
Shelf Life	2 years

Product	Pack size	Dilution	Product code
