BASIC ATTENDANCE
Electronic Time Clock

Features

- Prints month, date, day of week and time with each punch
- Auto top-feed row alignment and print activation for simple one-hand operation
- SmartClock™ technology with perpetual calendar retains time, date and settings during power outages, and auto-adjusts for Daylight Saving Time and Leap Years
- Supports weekly, biweekly, semimonthly and monthly pay periods
- Employees use button to select column for in, out and lunch punches
- Optional schedule to automatically adjust column for in, out and lunch punches based on the time of day
- Optional printing of late arrivals and early departures in red
- Optional internal alarm signal or external bell ringing
- Print time in 1-12 AM/PM hours or 24 Hour format
- Print regular minutes (0-59) or hundredths of an hours (.00-.98)

## Indisputable Time Records

The Lathem 400E prints the day of the week, month, date and time.

Competitive products only print day of the week or date.

Sample Time Card

Requires E4 Time Cards (universal, for all pay periods)

Print up to 4 punches per day with option to highlight tardy arrivals or early departures in red.
