Customers can select a washroom design from one of our many creative templates.

Custom Dispensers

The range of dispensers featured in this product guide has been carefully designed to complement our hand hygiene program. In addition, our cutting-edge print technology can be combined with a wide variety of component color options to decorate a dispenser that is unique to you.

Our design teams can work with you to create a dispenser that reflects your own identity or specification.

Our exclusive design development and manufacturing process produces permanent decorations that are chemical and fade resistant and will last the life of the dispenser.

From corporate branding, to logos, instructions for use, or eye-catching photographic quality images.

SC Johnson Professional Dispensing Systems

Our unique range of 1 liter, 2 liter and 4 liter closed, sealed cartridge dispensers meet the distinct needs of any workplace.

The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.

Sealed Systems	The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.
Fixed Product Dose	Our dispensers deliver the exact amount required, controlling both usage and cost, as well as reducing waste.
Usage Illustrations	Our workplace dispensers have trilingual descriptions and simple-to-understand diagrams to show the best method of use; ideal for multinational workforces.
No Mess	Non-drip, non-clog pump mechanisms ensure no mess.
Color-Coding	Color-coding cartridges and dispensers help users and maintenance staff easily identify the type of product.
Minimal Waste	The air-tight cartridges are designed to collapse to minimize product waste.
Security	The dispensers' unique locking mechanism helps prevent unauthorized access and product contamination.
Saves Time	The color-coding ensures that correct cartridges are used in the dispensers. Cartridges can be replaced in seconds, reducing maintenance time and costs.

BioCote Protected *

Our dispenser buttons are exclusively protected by BioCote® - a silver-based antimicrobial agent that is incorporated into plastic components at the time of manufacture and inhibits the growth of a broad spectrum of bacteria and molds. BioCote® will not wear out or rub off and is effective for the lifetime of the dispenser button.

Guaranteed for Life

All dispensers are rigorously tested for high usage environments, providing assurance of quality and longevity. Dispensers are guaranteed against normal wear and tear, subject to correct installation, usage and dispenser care.

* BioCote® is a registered trademark of Biocote Limited

TouchFREE Dispensers

Stylish and highly efficient TouchFREE dispensers with exceptionally long battery life for wall-mount or counter-mount applications.

- Specifically designed to deliver the right amount of product every time, minimizing over-use and wastage
- Integrated with hygienically sealed cartridges to eliminate mess and provide fresh product every application
- Low maintenance, combining robust and easy-to-clean dispenser surfaces with rapid cartridge replacement

Wall-Mount TF Ultra™

For use with our range of washroom foam soaps, antibacterial foam soaps and foam hand sanitizers.

Innovative, low energy, infrared sensing technology provides up to 5 years battery life

Counter-Mount CTF Ultra™

For use with the our range of washroom foam soaps

- Flexible design allows any orientation to guarantee housing in most facilities
- Built-in light indicators notify facilities when refills and batteries need replacing
- Up to 3 years battery life or 90,000 hand washes - Up to **4.5 times longer** than other similar systems

TouchFREE Dispensers

THE NEXT GENERATION OF HEAVY DUTY HAND CLEANER

Solopol® GFx™

Cleanse Rating **4**

Cleanse Heavy

Heavy Duty Foam Cleaner With Grit

Dirt | Grime | Oil | Grease | Carbon Black | Lubricants

- The world's only heavy-duty Power Foam hand cleaner with grit
- Provides up to 42% more hand washes per liter compared to traditional hand cleaners
- Contains cornmeal and olive pit scrubbing agents
- The instant foam lather spreads rapidly and easily to emulsify the dirt and grime for thorough and efficient cleaning
- Transforms heavy duty hand cleaning liquid into five times its volume, creating a rich-cream foam

FOAM

Where to use:

For use in industrial environments to effectively remove heavy soilings such as oil, grease, carbon black, lubricants and general dirt and grime

Nonfood Compounds Program Listed E3

NSF Rated

The NSF certification mark assures that a product complies with all standard requirements set forth by the NSF to guarantee product quality, compliance and safety. This product complies with the NSF International standards for Nonfood Compounds / Hand Sanitizing Products (Category Code E3).

USDA BioPreferred

The USDA BioPreferred Program certifies that products meet national standards for the amount of content derived from renewable biological resources, or biobased content. Products have been tested and certified by the USDA.

ECOLOGO®

This product is certified to meet ECOLOGO® UL 2783 Standard for Instant Hand Antiseptic Products. ECOLOGO certifications are voluntary, multi-attribute, life cycle based environmental certifications that indicate a product has undergone scientific testing, auditing, or both, to confirm its compliance with such standard. ECOLOGO® UL 2783 Standard sets criteria for product formulation and manufacturing, and human health & environment toxicity. For more information and to view the specific standard, visit UL.com/EL.

Support

For any organization, the implementation of skin care practices that are collectively followed and universally understood is an ongoing challenge.

Therefore, to help with this process, we have created a unique education and audit support program available to all customers of the our skin care range.

Ongoing Site Education & Awareness

To help maintain improved skin care standards, we provide a number of communication tools to support ongoing education and awareness.

Audit / Conducting 'Pre & Post' Audit

Audits help establish and maintain the effectiveness of our skin care program and ensure you are completely satisfied with the newly installed products.

About SC Johnson Professional

SC Johnson Professional is part of SC Johnson, a family company and one of the world's leading manufacturers of household cleaning products and products for home storage, air care, pest control and shoe care, as well as professional products. The company has a long history in the professional market, in which it started operating in the 1930's.

SC Johnson Professional provides expert skin care, cleaning & hygiene solutions for industrial, institutional and healthcare users. This incorporates the Deb range of specialist occupational skin care products along with well-known SC Johnson brands and innovative professional cleaning & hygiene products.

The SC Johnson Professional® purpose is to bring innovative, quality products and services to professional markets with outstanding performance that respect the environment, create efficiencies, reduce inventories, simplify training and provide a positive user experience. This is built on a deep understanding of customer needs and a vision for 'rethinking the professional experience' with the user in mind.

To learn more about our skin care range or other product ranges, visit www.scjp.com.
