

UHD FORMULA

ULTRA HIGH DEFINITION

THE ULTIMATE PAPER TECHNOLOGY WITH A SPECIAL SURFACE TREATMENT

Achieve only peak results

Superior thickness and smoothness

Ensures a sensation of premium quality, ideal for adding value to your communications.

Double-sided use

Guaranteed for duplex printing without show-through, even with intensive use of color

Multifunctional

Guaranteed for all color inkjet and laser printers plus color copiers.

24lb

8 1/2 x 11" | 11x17" | 12x18"

Excellent print contrast

Ideal for top-quality color documents, including: Presentations, Reports, Newsletters, Statements, Mailings and more.

TRUE AND VIVID COLORS

OPTIMAL COLOR CONTRAST

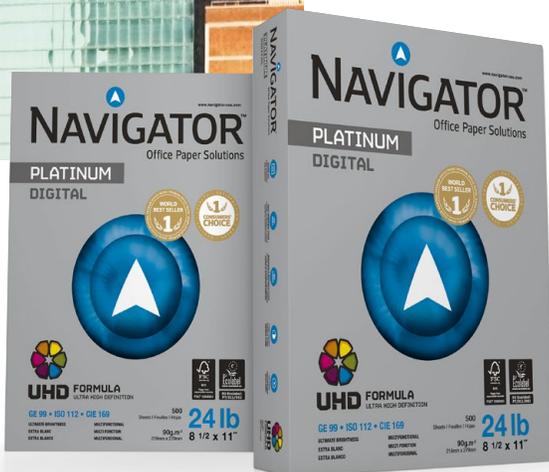

SHARP IMAGES

NEWSLETTERS

MAILINGS

Navigator Platinum Digital's even sheet formation and porosity guarantee uniform ink/toner application onto the paper surface. Its specially treated surface ensures optimum ink-paper interaction and better toner adhesion.

NAVIGATOR
PLATINUM  DIGITAL

Enhanced surface properties

Navigator Platinum Digital allows you to:

Maximize print quality with your existing printer settings.

Protect your office equipment, as the improved surface is less abrasive

Standard surface

STANDARD

Standard office paper quality

Navigator Platinum Digital enhanced surface

PREMIUM

Premium office paper quality

For best results use the following settings in your printer setup:

1 Select "Plain" paper type. | 2 Select "Better" printing quality. | 3 Adjust color saturation and tone for enhanced images. See your Printer Manual for further instructions

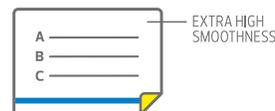

Added value for your presentations

The ideal solution for your presentations

Engineered smoothness minimizes runnability issues while providing a high-quality tactile sensation.

Excellent opacity prevents show-through and print-through in duplex printing applications, even with intensive use of color.

Excellent print contrast thanks to Navigator Platinum Digital's premium whiteness.
