Caulking Applicator FX7-90

Item-No. 571164

Caulking Applicator FX7-40

Item-No. 571165

Caulking Applicator FX7-60

Item-No. 571166

Caulking Applicator FX7-34S

Side-By-Side

Item-No. 571158

Caulking Applicator FX7-38

Coaxial

Item-No. 901109

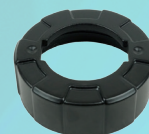

Essential Characteristics:

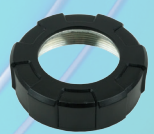

- Rotary carriage or aluminum barrel
- Rubber coated handle and trigger
- Multiple-strength catch plate (resistance 6000N)
- Double slide bearings for smooth-running function
- New developed blackened parts due to special heat treatment without environmental pollution
 - Anticorrosive performance
- Aluminum screw caps:
 - Coarse thread, easy to unscrew
 - Fine thread, due to smaller thread pitch, the screw cap cannot be unscrewed while turning tube
- For high viscosity dispensing material
- Packed in high-quality single boxes

Available Models:

- FX7-90 cartridges 310ml/10.5 fl oz, thrust ratio 17:1
- FX7-40 cartridges 310ml/10.5 fl oz, sausages 400ml/11.6 fl oz, thrust ratio 17:1
- FX7-60 cartridges 310ml/10.5 fl oz, sausages 400ml/11.6 fl oz, 600ml/20.2 fl oz, thrust ratio 17:1
