

Bath Tub Protector

DESCRIPTION

Black Swan's Bath Tub Protector provides protection against tub damage during home construction or remodeling. Made of flexible, strong plastic material that absorbs shocks and prevents scratched and dented surfaces. Soft foam bottom grips tub surface to protect finish from the abrasive action and from falls and injuries resulting from the protector moving under workman's feet. No setup or assembly time as you just pull out of box and drop in tub. Most durable protectors often can be reused. Protector fits both left and right-hand drain tubs.
