

# Big Foot Cover Plate

---

## DESCRIPTION

**Black Swan's Big Foot Cover Plate** is a paintable, plastic cover plate installs between the toilet and the floor, covering old dirty "FOOT-PRINT" stains left behind by toilets being replaced. Can be installed with or without removing toilet. One size fits all.

---

## DIRECTIONS

### Installing Without Removing Toilet:

1. Turn off water - loosen toilet.
2. Apply caulk to **Big Foot**, cut one side of **Big Foot** and wrap around and under toilet - cut **Big Foot** as needed.
3. Install toilet per manufacturers instructions.

### Installing With Toilet Removed:

1. Turn off water - remove toilet.
  2. Clean floor - apply caulk to **Big Foot**.
  3. Mount **Big Foot** to floor - cut **Big Foot** as needed.
  4. Install toilet per manufacturers instructions.
