Multi Zone Walk-Through Metal Detector and Accessories

Garrett is an industry leader with superior pinpoint detection technology and unmatched features.

In order to ensure your detector and accessory purchase matches your company's needs, we've developed Metal Detector Kits that include all of the essential items by default. Mobility, power backup, and walk-through synchronization capability are all included in these all-in-one kits.

For venues looking for world-famous Garrett quality at a budget-friendly price, we recommend the Multi Zone: a flexible and easy-to-use walk-through that provides 20-zone detection capability and integrated wireless synchronization to schools, event centers, houses of worship, and more.
