

Garrett *Metal Detector Kits*

PD 6500i Walk-Through Metal Detector and Accessories

Garrett is an industry leader with superior pinpoint detection technology and unmatched features.

In order to ensure your detector and accessory purchase matches your company's needs, we've developed Metal Detector Kits that include all of the essential items by default. Mobility, power backup, and walk-through synchronization capability are all included in these all-in-one kits.

Garrett Metal Detectors is trusted to safeguard international airports, hotels, government buildings, and correctional facilities. With its advanced networking and ability to pinpoint targets in 33 detection zones, the PD 6500i is the walk-through of choice for security professionals worldwide.

Zoro #	Mfr. Part #	Description	Entry Dimensions	Color
