

Premier Plunger

DESCRIPTION

Black Swan Premier Plunger is an all-purpose, high performance, heavy duty plunger. Clears blockages in toilets quickly, works on even the most stubborn of clogs. **Premier Plunger** fits all types of toilets, regardless of the shape or angle of the toilet trap opening. The unique shaped, high quality, non-marking, rubber cup enables a better seal with extreme suction power. Another added bonus is that the design of the cup requires less effort to plunge for the user. Has a flexible 5-1/2" black rubber cup with 19" yellow wood sturdy handle to keep hands away from water. This item creates a powerful force to do the job. Every bathroom should have one. For best results, we recommend covering other sink openings or vents.
