

S0312S

# Sock

## Green Boom's socks provide rapid absorption ideal for land & industry environments.

These highly efficient socks wrap easily around leaky equipment and mold conveniently to uneven surfaces. Green Boom socks are a light-weight solution to manage a mess.

**AVAILABLE IN THREE INDUSTRY STANDARD SIZES**

<b>SKU</b>	S0312S

- Socks offer a long surface area that is tear-resistant, high capacity and has fast-wicking filler to quickly soak up oil.
- Moldable design is great for hugging corners for tasks such as absorbing machine leaks, containing puddles and keeping workers safe.
- Tough and economical, this is the best choice for everyday leak protection to keep floors safe.
- Control your everyday leaks with our most shape-hugging sock.
