

## Garant

### 2-component ergonomic file handle, Overall length: 95 mm

#### Order data

Order number	519600 95
GTIN	4045197890337
Item class	51E

#### Description

##### Version:

**Ergonomic 2-component file handle** with hole for hanging up and **practical colour code clips** (red, green, yellow) for individual marking of, for example, the cut. The non-slip surface and **ergonomic shape** ensure **non-tiring power transmission** even in wet or oily hands. Reversible reduction inserts ensure a secure grip on all tangs.

##### Application:

For all workshop, key, and precision files.

##### Supplied with:

File handle including 1 red, 1 green and 1 yellow colour-coded clip.  
suitable for file length: 100 mm
